

PAB Annual Fee Schedule

In fall 2017, the Association of Collegiate Schools of Planning (ACSP), American Planning Association (APA) and the American Institute of Certified Planners (AICP) approved a new funding model, effective October 1, 2019 in which annual fees for fiscal year 2019 increased by 10% with a concurrent increase from APA/AICP. Annual Fees and grant funding will increase by 2% annually thereafter.

* Effective May 2020 and June 2021, PAB voted to waive the 2% annual fee and grant fund increase for fiscal year 2021 and 2022, respectively, in light of the financial constraints caused by the COVID-19 pandemic.
