

STUDENT AND FACULTY COMPOSITION IN PAB-ACCREDITED PROGRAMS

2024 Annual Report
Planning Accreditation Board

Introduction

This report provides a summary of student enrollment, faculty headcount and status, as well as race and ethnicity, in PAB-accredited planning programs. The data is based on the 2024 Annual Reports, which all accredited programs are required to complete. Information provided in the Annual Reports is self-reported by each program.

As of December 31, 2024 PAB accredited 79 graduate and 16 undergraduate programs in planning at 83 North American universities. Student data is reported as of December 31, 2024. Faculty data is reported for the academic year 2024-2025. The University of British Columbia has been excluded from data for US-Based Accredited Programs.

For the complete 2024 data set or to view past Annual Report data, please visit the [Annual Report Online Database \(AROD\)](#) available on the PAB website.

***Disclaimer:** Data may vary across annual reports on the PAB website due to various factors such as submission timing, the date of extraction, and corrections to prior submissions. The data in this report was extracted May 2025.*

Total Faculty	363	322	1	686	100%	708	100%	168	123	1	292	100%	265	100%	457	303	1	761	100%	789	100%

Note: Eleven institutions maintain an accredited undergraduate degree, therefore faculty may be double-counted across both degrees.

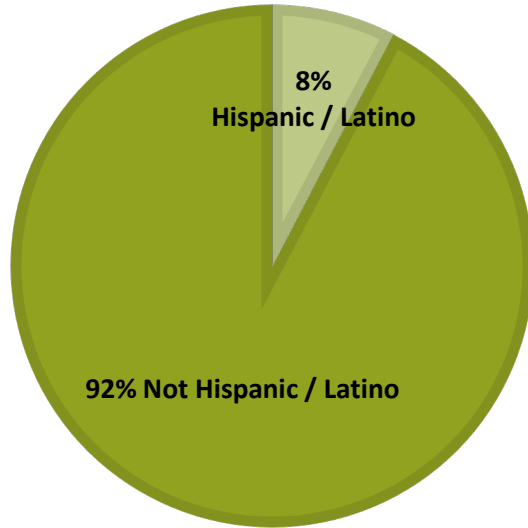

Full-time in Planning Unit are tenured, tenure track, and non-tenure track faculty hired with multi-year contracts employed full-time by the University with a primary appointment in the planning unit. Part-time in Planning Unit are tenured, tenure track and contract faculty from other academic departments in the University who teach: core courses required for the planning degree; courses in other departments required for planning specializations; and/or courses in other departments taken as an elective by a critical mass of planning students. Adjunct and other instructional faculty are not employed full-time by the University, who teach specific courses on a course-by-course basis.
